January 2025

THE HERITAGE GIFTS & COFFEE CAFÉ IS NOW OPEN

Congratulations to Troy and Crystal on the opening of The Heritage Gifts and Coffee on 30th December 2024. Please keep in mind when visiting the café that their seating is still being renovated, therefore they are predominately providing takeaway or dine in on the picnic tables outside until renovations inside are complete.

LOUVRE VAN CARRIAGE UPDATE

The Louvre Van Carriage is near completion after the inside walls and roof being sealed this week, ready for the set up the N&DHS memorabilia, pictures and artifacts from the Goods Shed and container. There will be a planning session meeting to arrange the transfer and set-up early in February 2025.

NEW FENCE UPDATE

Plans are upway to instal a new yellow metal fence and gates along the Mt Baw Baw Tourist Rd to replace the star pickets and tape. We are meeting with the fencing people in early February for the dates the fence and new gates are to be erected.

ADOPT A SLEEPER \$50 CAMPAIGN

This campaign will start again in March 2025. The Flyer has been updated, and a new display board will be put in the Goods Shed once all other display items have been moved across to the Louvre Carriage Van.

VOLUNTEER INFORMATION

We have introduced a new Duty Roster for Volunteers. There are 2 Duty Roster lists, for different roles, that will require Log in / Log off registration and are stored on clip boards in the Goods Shed.

1. Goods Shed, Louvre Carriage van and J550
2. Facilities, Grounds & Railway Maintenance

Additionally, as part of our OH&S requirements, Angie Langoor has sent out a form via email for all active volunteers to complete.

GOOD NEWS!

We have been successful in one of our grant applications! Details to come next month once the embargo is lifted.

The Baw Baw Shire Community Grants are open in early February and we will be applying for a reverse cycle airconditioner for the Goods Shed.

Thank you in advance for all your support and assistance.
